Internship Facilitation Scheme

A Reliable Internship & Intern Discovery Platform

About Infase

One of the major concerns for all engineering students and colleges is finding suitable internship opportunities. This usually results in a lot of ad-hoc actions like sending resume' by students to all kinds of e-mail addresses creating a lot of confusion and unwanted rejections. Similarly on the company side, many are open to taking students for internships, but reaching out to get quality students is a challenge. Keeping this scenario in mind, CSI Mumbai chapter in collaboration with CDAC Mumbai has launched INFASE, an internship facilitation scheme.
